¹This amount includes an underpayment of €142,877 in respect of 2011 and previous years.

²The total payment, which is derived from the payroll system, differs from the issues from the Central Fund due to subsequent cancellations of payments, death balances and various credit and reconciling items arising from payroll operations.

³ Pensions surrendered in 2011 may differ from that recorded in the Finance Account (Statement 1.2 under Other Receipts) due to the time-lag in the payover of voluntary pension deductions to the Exchequer.
